## **An Important Closing Deposit Reminder From Rowell Auctions, Inc.**

This auction is a cash sale not contingent on or subject to financing, appraisal, survey or inspections of any kind, as agreed to by bidders at registration prior to bidding, and specified in the attached Contract for Sale of Real Property.

Per the contract, **'time is of the essence'**; you should proceed to closing immediately upon acceptance of your offer. You must close the transaction on or before July 22, 2020. If your closing is delayed for any reason, by you, as purchaser, or other parties working on your behalf, including any lender you involve—you may be declared in breach of the contract, forfeit all deposits made, and could be additionally liable for any and all costs incurred by the seller and Rowell Auctions, Inc. in a subsequent resale of the property.

In the event a winning bidder fails to submit the signed "Contract for Sale of Real Property" and earnest money deposit as provided in the pre-stipulated Auction Terms, the winning bidder will be charged an administrative fee of \$2,500.00 on the credit card provided at auction registration. All administrative fees are non-refundable. Additional default remedies are reserved by Rowell Auctions, Inc. and the Seller as provided in the Auction Terms & Conditions and the "Contract for Sale of Real Property".

*Bid with confidence, but please do not delay your closing!*

## Frequently Asked Questions

### Is this an Absolute Auction or does it require the seller to approve the winning bid?

On a property selling at Absolute Auction, the property listing will indicate the property sells at Absolute Auction which means the seller agrees to sell this property for the highest bid received during this Auction. A contract is made at the bid closing between the seller and the winning bidder. All other properties are offered subject to seller confirmation/approval of the final bid price. This method allows the seller to reserve the right to accept or decline any bid placed on the property. With either method our sellers are highly motivated to sell. The seller has elected to use the auction method to reduce their time in the market and convert the property to immediate cash. Bid with confidence!

### Can I use bank financing?

Yes, however, there are no contingencies to these sales (i.e. financing, appraisal, repairs or inspections). Therefore, you should be pre-qualified by a lender prior to bidding if you require financing. Each property is being sold for cash "as-is, where-is" with a specific closing deadline specified in the Contract for Sale of Real Property.

### Can I use my own attorney/title company to examine title?

Yes, however, the Contract for Sale of Real Property will govern the sale, specifically the designated Settlement Agent will conduct the closing and the buyer will pay said closing fees as indicated. Buyer may seek representation from other sources at their own expense.

### Am I responsible for the property before closing?

No.
